This is a historical map of a city street, likely from the 19th century. The map shows a grid of streets and buildings. A red line is drawn across the map, starting from the top right, going down to a central circle, and then continuing down to the bottom right. The central circle is located at the intersection of a street and a row of buildings. The text "Tour Paparelle" is written in red, bold letters across the middle of the map, overlapping the red line and the central circle. The map is oriented with North at the top.
